### Getting To Know You Yarns and Child Led Yarns

Dear Families

To streamline the process of booking a time with your child's educator, IPECS has registered with Parent Teacher Online. PTO is a secure, fast and simple internet booking system that parents and carers can use to book getting to know you yarns in term 1 and child led yarns in term 3.

Families can use the secure mobile app to make and change appointments as well as have a list of their interview times conveniently on their phone. The app will work on both Android and iPhone devices and computers with internet access.

For families to use this service, IPECS will need to share some information with PTO and we are asking for your consent to do so. We will need to share your child's name, their class, parents/carers name and email. Please read the PTO's privacy policy which can be found at this address <http://parentteacheronline.com.au/privacy-policy/> and their terms and conditions which can be found at this address <http://parentteacheronline.com.au/terms-conditions/>. We will not share your information without your consent. The Education Directorate's privacy policy explains how personal information is handled. If you would like to read it, please follow this link; [https://www.education.act.gov.au/publications\\_and\\_policies/policies](https://www.education.act.gov.au/publications_and_policies/policies)

If you would like any more information about PTO, please visit their website, [parentteacheronline.com.au](http://parentteacheronline.com.au) or contact the school on 6142 3777. Please indicate your preference below and return it to reception as soon as possible. We will share the email address that we send the newsletter to unless you indicate otherwise.
