

IT PERMISSIONS FORM

Dear Families,

The use of ICT is fundamental in assisting teaching and learning in all areas of the school curriculum. Web based learning resources and cloud based storage has risen steadily over the last decade and are increasingly being used by teachers across the Directorate to improve student learning outcomes. IPECS is committed to providing a technology rich environment for our students.

Teachers make decisions designed to assist students in their learning. Sometimes it is beneficial for the student to utilise services provided by third party web based providers. Some of the services provided by them include online content creation, collaborative tools, online educational games and various administrative programs for tracking student assessment data. IPECS has registered with Seesaw, which provides digital student portfolios that parents can view at any time. We have also registered with Parent Teacher Online, a web-based booking app which families can use to make appointments with their child's educator. For more information about Seesaw or PTO, please go to www.seesaw.me and <http://parentteacheronline.com.au/>

As these web-based service providers will require your child's name, we must obtain parents written consent before your child can use the program. PTO will also require parent/carer names and email as well as your child's name, class and educators name. Please indicate overleaf if you consent to this information being shared and your child using Seesaw.

The Education Directorate has a privacy policy explaining how personal information is handled. The policy is available on the Education Directorate website, [www.education.act.gov.au/publications and policies/policies](http://www.education.act.gov.au/publications_and_policies/policies)

You can choose to give consent to one, both or none, it is at your discretion. We will not share any information without your consent. The permissions given in this form will last for the duration of your child's enrolment at IPECS. If at any time you change your mind, please contact your child's educator or reception.

If you have any questions, please don't hesitate to the school 6142 3777.

Kind regards

Simon Barker
Principal
