

Fresh Foods Kids Discovery Tour

Dear Families,

This year at preschool children in Rubies have been exploring and tasting different fruits and vegetables after reading children's literature about healthy eating. The children will consolidate this learning on a Fresh Foods Discovery Tour which is run by Woolworths Supermarket. During the tour the children will explore how delicious, healthy, and even fun, eating fruit and vegetables can be. This educational tour aligns with our school's Fresh Tastes initiative and will provide additional inspiration for our cooking experiences at preschool.
