

LEARNING RESOURCES CONTRIBUTIONS 2020

Dear Families,

Each year families are asked to purchase a book pack for their child to use during the following school year. We have found that ordering class sets of everything in bulk is a much more cost effective way of purchasing book pack requirements.

The \$65 cost of the school book pack includes coloured pencils, texta's and crayons, lead pencils and scrapbooks. It also covers glue sticks, paint, scissors and other craft items. If your child is starting preschool in 2020, a school hat is also included. \$10 per child of this contribution goes toward the cost of all digital learning tools and resources, including Seesaw which is an online learning journal that all our classes use. The money is payable to the school before Friday 13 December 2019 and payment options are listed below.

There is no need to come in and pick up the book pack, as everything will be delivered to the classrooms ready for the first day of 2020.

If you have any questions, please do not hesitate to contact me on 6142 3777.
