

Uniform Orders

Dear Families,

The stock of IPECS uniforms at Savvy School Wear has nearly been exhausted and we are now preparing to place our first order with our new suppliers.

We will be placing orders every term as required, which will then be delivered to school and distributed from the front office.

Please call the front office if you have any questions and use the attached order form to order before the 27th of March 2020.

Thanks and kind regards,

Jane
